This cumulation of a continuing bibliography on academic collective bargaining lists information available in the Library of the Association of Universities and Colleges of Canada (AUCC). Most of the titles may be borrowed through interlibrary loan.

There are several periodicals which provide a continuing source of information about various aspects of the collective bargaining process in Canadian universities. This list includes University Affairs, published by the Association of Universities and Colleges of Canada; CAUT Bulletin, published by the Canadian Association of University Teachers; the newspapers of the universities' information bureaux; Arbitration Service Reporter, published by Labour Canada; and the CAUT Rights Reporter, published by the Canadian Association of University Teachers.

The Bibliography's classification scheme was devised by Phyllis MacRae while she was responsible for the Collective Bargaining Office at AUCC. The assistance of the personnel of that office and of the library staff is acknowledged with thanks.

La présente bibliographie continue concernant la négociation collective dans les universités est établie à partir des renseignements disponibles à la bibliothèque de l'Association des Universités et Collèges du Canada (AUCC). La plupart des documents mentionnés peuvent être empruntés par voie de prêt entre bibliothèques.

On trouve dans un bon nombre de périodiques une source continue de renseignements sur divers aspects du processus de négociation collective dans les universités canadiennes. Il y a lieu de mentionner, entre autres, Affaires Universitaires que publie l'Association des Universités et Collèges du Canada; le Bulletin de l'ACPU publié par l'Association canadienne des professeurs d'université; les journaux des bureaux d'information des universités; la Revue des services d'arbitrage publiée par Travail Canada et le CAUT Rights Reporter publié par l'Association canadienne des professeurs d'université.

Le code de classification adopté aux fins de la bibliographie a été établi par Mme Phyllis MacRae alors qu'elle avait la direction du Service d'information sur la négociation collective à l'AUCC. Nous désirons remercier de leur collaboration les membres du personnel de ce service et de la bibliothèque.
